# U.B.U ENVIRONMENTAL LTD

- Established in 1998.
- Family business that has had over 55 years experience in Plant Hire due to the success of our sister company T. J. Murphy Ltd, incorporated in 1955.
- Dedicated site in Walkden, Manchester.
- Yard facilities in Liverpool and Cumbria.
- We operate a fleet of over 80 Roadsweepers, High Pressure Road Jetters, Pedestrian Precinct Sweepers and Gully wagons.
- We offer both operated and self drive Road sweeper Hire to all areas of the construction and cleaning community.
- We are the only Road sweeper Company with an approved treatment and safe disposal site in the North West

# U.B.U ENVIRONMENTAL LTD

- Wide Area covered, typically as shown, however always make sure with our Hire Desk on 0161 703 7777 as we may be able to provide services outside this zone.

- At UBU Health and Safety is paramount. We employ an independent Health and Safety advisor who audits our risk assessments and method statements on a weekly basis
- We have Reversing Cameras and Beepers on all our Road sweepers and produce a quarterly newsletter focusing on health and safety.
- Our Employees undergo regular health and safety refresher courses and are supplied and trained in the use of their full PPE kit.
- We have a proactive approach towards accident prevention.
- We are members of the Construction Plant-hire Association – CPA
- We are also Safe Contractor Approved, UK's leading Health and Safety accreditation.

# U.B.U ENVIRONMENTAL LTD

We hold a current competence qualification through the Waste Management Industry and Training

Board (WAMITAB). We are committed to minimising any negative effects we have on the environment. Preventing pollution, waste and ensuring protection of the local wildlife and nature is a responsibility all of our employees have. We continue to work with and comply with guidelines issued by the Environment Agency and other organisations.
